MADE IN ITALY is a heart-warming comedy set in glorious Tuscany, starring Liam Neeson as Robert, a charming artist who returns to Italy with his estranged son Jack (Neeson's real life son Micheál Richardson) to sell house they inherited from his late wife. However, they are shocked to find the once glorious villa dilapidated and in a state of disrepair. Renovations go badly, and father and son find themselves at odds once again. Robert's comical lack of DIY experience leads him to seek help from some colourful locals, but for Jack, the state of the house seems to mirror his search for memories of happier times with his mother. Jack's heart opens up when he meets Natalia, a vivacious Italian chef who restores both body and soul with delights from her local trattoria. As Robert and Jack painstakingly restore the villa to its previous glory, they begin to repair their bond and imagine a different future.

SPREAD YOUR WINGS | PG | MILD COARSE LANGUAGE | 113 MIN

Inspired by a true story, Spread Your Wings follows videogame-addicted teenager Thomas (Louis Vazquez) who is sent by his mother, Paola, to spend the school holidays with his father in the beautiful, yet secluded, wetlands of the Camargue region in Southern France. With no Wi-Fi and only his ornithologist father for company, Thomas is slowly drawn into his father's passion for a gaggle of newborn, wild geese. Together, father and son train the birds for their first migratory flight, hoping to free them from captivity. By doing so, they also start to rebuild their own strained relationship. Revolving around this familial dynamic, Spread Your Wings gently echoes the broader international rise of young activists debating the future of a planet they are about to inherit. It is a beautiful film; a timely family adventure about how even the smallest gestures can have a huge impact.
